MEET GLORIA:

Gloria Grace Rand is the owner of Web to Wealth Marketing and the only SEO Copywriter for service-based businesses who **guarantees** to capture your unique voice and translate it into copy that attracts, engages and converts web visitors into qualified leads for your business. Gloria is also the host of the Live. Love. Engage. podcast which provides entrepreneurs with practical advice from a spiritual perspective on how you can live fully, love deeply and engage authentically.

She is the author of the forth-coming book, "Live. Love. Engage. - How to Stop Doubting Yourself and Start Being Yourself" and Contributing Author of the best-selling books, "Unscripted: How Entrepreneurs Leap and Find Success" and "Connect: 100+ Mind-Blowing Strategies to Use Social Media and Drive Business Growth."

Growing up with an alcoholic father and abusive mother taught Gloria it was safer to be seen and not heard, so she learned to communicate through writing. That experience fuels her desire to help entrepreneurs express your unique voice online, so you can generate more influence, impact and income! Her clients attest that after working with Gloria, the benefits to them have been priceless.
