Gain Practical Marketing Advice from a Spiritual Perspective

Having helped 150+ companies attract and convert leads into sales in her 15+ years as an online marketer, Gloria "Grace" Rand has learned one universal truth that is the key to success.

>> *Being true to yourself matters more than engaging in the latest marketing fad.*

Embodying the L.O.V.E. Method™ detailed in her book, "**Live. Love. Engage.**" enabled Grace, as she is known, to stop doubting herself and live life on purpose. She now empowers other women over 50 to reclaim their divine spirit and show up fully without fear of judgment.

Grace knows from experience that thriving starts by getting out of your own way.
